Communications	Heather Fritz

Olmsted Falls Athletic Boosters

Mission Statement:

The Olmsted Falls Athletic Boosters Club exists as an organization of parents, community members and interested parties dedicated to supporting, encouraging and advancing the athletic program and related activities of the Olmsted Falls School District, thereby cultivating clean, wholesome school spirit, promoting good sportsmanship, scholarships and developing high ideals of character. The club shall collectively work with the school district to promote projects that improve facilities and equipment necessary to provide an adequate interscholastic athletic program for the school district. To accomplish this purpose, the members shall support, sponsor and promote such fund raising activities as may be sanctioned by the membership.

Once again, the successful athletic program in the Olmsted Falls School System has 65 teams representing Olmsted Falls in 22 interscholastic sports. Each year the Athletic Booster Club calls upon the residents of the community to help defray the costs of operating our sports program.

Over the last few years, the Athletic Booster Club provided substantial funds necessary to assist in financing our interscholastic athletic program. Our contribution to the athletic department is used for the following items: new equipment, medical supplies, awards, tournament expenses, entry fees, uniforms and scholarships. The Athletic Booster Club has also been involved in major projects such as the **weight room/training room renovation**, tennis and track facilities, baseball/softball diamonds, soccer facility, outbuilding for sport storage, the renovation of the inside and outside concession areas, and the football stadium renovation. Olmsted Falls is the only school district in the Southwest Conference that does NOT pay to play or pay a transportation fee.

The Athletic Booster Club is budgeted to contribute at least \$65,000 for the 2017- 2018 school year. By becoming a patron, you can help us maintain and improve our excellent athletic program. For a donation of \$15.00 or more, your name will appear in every athletic program during the school year. We will also include a business patron list in all our programs. For a donation of \$35.00 or more, your business name will appear on this list. **Please mail the attached application and your contribution by August 15, 2017 in the enclosed envelope.** MAKE CHECKS PAYABLE TO: OLMSTED FALLS ATHLETIC BOOSTERS. Membership applications with contributions received by August 15, 2017 will be guaranteed to appear in our fall athletic program. Those received after August 18 may not appear on the patron list until our winter athletic program. *"Olmsted Falls Athletic Boosters is a 501(c)(3) charitable organization. Your donation is tax-deductible to the extent allowed by law."*

Program ads are available. Go to www.ofathleticboosters.org to submit.

Review the attached volunteer activity list to schedule when you can help out the Olmsted Falls Athletic Boosters Club. Please return the completed form with your patron donation.

Your support is a significant investment in the development of the young men and women of the Olmsted Falls School District. If you are unable to contribute but would like to support this organization, you can get involved by coming to our monthly meetings which are held the first Monday of each month at the High School library at 7:00 PM.

Sincerely,
Jim Souris

Patron Chairperson
